

Flu Vaccination Plan – Home Visiting Schedule 2020

Patients who are **housebound** or who are on the **government’s COVID-19 Shielded Patient List** will be offered a vaccination at home this year. The schedule below provides information about when we will be visiting your postcode area. Please arrange to be at home on the date provided and read our [Patient Information Leaflet](#) before our visit to help us make sure things run smoothly. We will contact you by text to confirm the date of our visit. If you are unable to be at home on the date provided, please contact the surgery as soon possible after 1 September to make alternative arrangements.
