

FLU VACCINATION PROGRAMME FOR 2020

Are you **housebound** or were you **previously shielding**?

If the answer is 'yes', we are coming to vaccinate you and your family/carers at home between 5th – 9th October and 19th – 23rd October. For details of the days and times for each village please see our website www.holdernesshealth.nhs.uk or wait for a text message confirming when to expect us. Please **do not** book an appointment to attend the surgery

If you are **Over 65**

Flu vaccination appointments will be available to book from 1st September at the venues listed below

If you are **under 65 years** and have a long term health condition, are pregnant, or are a carer, and have not previously been shielding, please contact us from 1st September to book your appointment

If you are unsure if you are eligible, please see our website for further details. We can only vaccinate people who meet the criteria for receiving a free NHS flu vaccination.

Appointments will be available

Church View Surgery, Hedon 10th- 17th and 26th - 30th October
St Nicholas Surgery, Withernsea, 10th - 14th and 26th - 28th October
St Patricks Surgery, Patrington 15th, 16th, 29th and 30th October
