KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

New Parish Council Notice Board Situated on the wall outside the village hall

Parish Council Round Up – February-March 2024

Planning & Development

The early part of 2024 has seen a significant focus on planning and development in Keyingham. Building operations were suspended by ERYC at the site of Mt Airey farm, in February a new application was made to develop land to the west of Church Lane (or ‘Cow Field’ as it is sometimes referred to locally) with a proposal for 16 ‘first home’ dwellings and in March a strategic development proposal was put forward for 147 dwellings on the site of Village Nurseries. An amendment to a condition relating to the Strawberry Fields development also raised concerns from neighbours. The proposed development on Church Lane was met with huge public concern and at the February meeting the Parish Council voted to oppose the development on a range of grounds including road safety, drainage and environmental impact. You can read the Parish Council consultee statement explaining this decision in the PC website and ERYC planning portal by following one of these links:

<https://newplanningaccess.eastriding.gov.uk>
Reference number: 24/00263/OUT

The proposal for 147 dwellings on the site of Village Nurseries was received at the March meeting, with a relatively short deadline of April 10th for comments and/or queries. Unlike the proposed development on Church Lane, the land associated with this proposal is identified in the local area

strategic plan as a ‘brownfield site’ suitable for development and as such the site itself had already been subject to environmental impact assessments.

Due to the scale of this proposal the Parish Council planned to hold a dedicated meeting to provide a considered and timely response to the proposal.

Road Safety in Keyingham

At The February meeting of the Parish Council Cllr Sean McMaster was once again joined by representatives of the Traffic Management and Capital Projects teams to provide an update on the proposed works to improve the road crossing. To improve the crossing includes repainting the road markings, adding lighted studs to the road either side of the crossing itself, replacing the beacon poles with a new type of lighted pole. The beacons themselves will be brighter with LED halos and the street lighting in the immediate vicinity will be slightly less bright to make the crossing stand out more. Lighted advance warning signs will also be placed at each size of the road to ward of an upcoming road crossing.

The Parish Council has been informed that this work will be carried out in June – July. At present there is only one other crossing of this type in the East Riding and it appears to be working well.

CCTV

We are still awaiting a start date for the installation of the CCTV cameras and were informed recently that the current hold-up is due to a long wait for the fabrication of a higher pole required for the camera in the main street beside close to the crossing. Updates will be posted on the website as we receive them. It may be that the erection of the pole may coincide with work to the road crossing due to the lighting requirements for each of these projects.

Keyingham Village Hall

The Village Hall continues to complete a steady stream of improvements and repairs, thanks to the Village Hall Committee, Parish Councillors and an army of volunteers. The Village hall now has a postcode, which will enable a new, broadband connection.

At the March meeting it was agreed that the Parish Council will be responsible for the broadband connection and prices/packages are currently being considered. Activities over the next months include plastering and repair work inside the stage and 'old kitchen' areas.

Up-coming events include the 'packed and popular' weekly coffee mornings and on 30th March there will be an Easter Egg Hunt, (in partnership with Boyes Lane Recreation Ground Charity).

Parish Council Notice Board

The new Parish Council notice board is now in place on the wall of the Village Hall facing Station Road and will soon be fully operational! See page 1.

Keyingham Crest /Coat of Arms

Over the last three meetings there has been discussion about a Keyingham Crest or Coat of Arms which had previously existed and been used in various ways to reinforce the identity and culture and history of the village of Keyingham. After a little searching Cllr Lawton was able to produce a match book with the crest printed on it and it was agreed that it would be nice to 'polish it up a bit' and bring it back into use. At the March meeting Cllr Smith shared a black and white version of the emblem, updated and in a format which could be easily reproduced. Conversations have now begun about 'colours' including green and gold. The Crest can be seen on page 5 of this magazine – have a look and tell us what you think!

Keyingham Primary School Student Council

The Student Council members recently enjoyed a visit to Hedon Town Council and were hosted by the Mayor, Town Clerk and Mace Bearer in full regalia. During the visit the Student Council learned about the long history of the town Council and its roles and responsibilities including once upon a time acting as a local court and temporary jail! Student Council members sat in the civic chamber, tried on the civic robes and practiced carrying the ceremonial mace. A huge thankyou to Mayor Councillor Di Storr, 676th Mayor of Hedon, Town Clerk Mrs Kim Gray and Mace Bearer & Toastmaster Mr John Dawson who made the visit so informative and engaging for us all. A picture of the visit is featured on

page 5

Cemetery

The works to extend the width of the path which crosses from north to south before the 'extension' is now complete and spring/ summer planting will commence soon. Permission was recently granted for the placement of a memorial bench in loving memory of Ronnie Jude.

Allotments

Thank you to everyone who responded to the request for allotment rents. All the rents are now received and almost all receipts dispatched. Payment via the on-line payments system went well and this will become the main form of payment in future and to do this it will be necessary to update our records with an email address for every tenant before the end of the year. A small number of vacant plots are still available – if interested please contact Cllr Ray Lawton or the Parish Clerk.

Boyes Lane Recreation Ground

At a meeting on 20th February Trustees reported that planting of a further 20 fruiting as part of a 'Community Orchard' had been successfully completed and described plans for improving the boundary hedges, picnic areas and accessways. The Annual General Meeting of the Trustees of Boyes Lane Recreation Group Charity will take place on 7th May in Keyingham Village Hall at 7.00pm. Public participation at the meeting is welcome.

Parish Council Meetings

The next scheduled meeting of the PC is 7.00pm on Tuesday 16th April 2024 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

The Keyingham Haxby Heritage Trail

The Heritage Trail Working Group have recently approached the Parish Council for support to add a further 5 'Blue Plaques' to be placed around the village, along with the proposal to name the heritage trail in memory of its founder Mrs Rosalie Haxby. Parish Councillors were please to support the proposals and look forward to publishing a booklet of each of the sites on the trail and their history on its completion.

Condolences

At the opening of the February meeting Cllr Clark paid tribute to two members of the community who had recently died. David Maxwell, husband of former Councillor Lesley Maxwell and John Parsons, former Councillor and Parish Council Chairman. The Parish Council extends its sincere condolences to both families.

The confirmed minutes of Parish Council meetings are posted on the PC website:

keyinghamparishcouncil.co.uk

Keyingham School Student Council being hosted by the Mayor, Town Clerk and Mace Bearer in full regalia. At Hedon Council Offices.

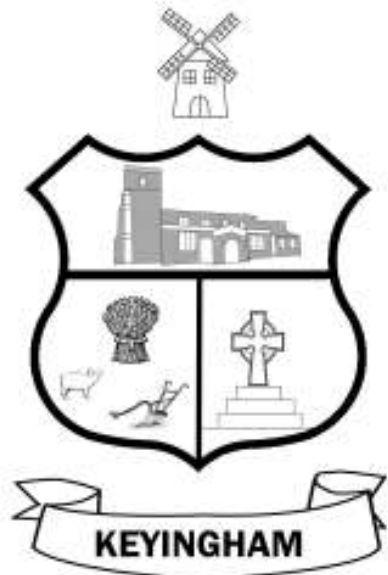

New Keyingham Emblem

The Keyingham Emblem is based on the original image supplied by Ray Lawton.

Various colours will be produced for councillors to view and discuss at the next council meeting.

The Emblem will be used on all Parish documents after it has been ratified by the council.

The idea of a village flag baring the emblem.

Keyingham Heritage

You may have noticed some blue plaques on buildings around the village. These were organised by the late Rosalie Haxby who was a well respected and much loved Head of Keyingham Primary and then later the Infant School. She was passionate about the history of our village.

OR EMAIL franbeardow@yahoo.com TO BOOK

(Please advise of any dietary requirements when booking)

Keyingham Heritage is a group of people who would like to honour Rosalie and complete the work she started.

We aim to create a Trail, which will include 30 sites and/or buildings of historical interest for villagers and visitors to enjoy and learn about Keyingham in days gone by.

The Keyingham Heritage group will name this trail "The Haxby Trail" in honour of Rosalie Haxby.

We will keep you updated about new plaques and fund raising events in this magazine.

7:00pm - 8:00 pm Wednesday 22nd May
Playing field car park Saltaugh Road Keyingham

1st Keyingham Scouts & Cubs

1st Keyingham Scouts and Cubs is thriving! We currently have 39 young members which is fantastic. This term we have been extremely busy with various activities and events including a weekend trip to London for the Scouts and an overnight camp to Gulliver's theme Park for the Cubs. The young people have also taken part in sessions including Chinese new year, baking, mothers day gifts, night hikes, mental health sessions and team work.

Scouting is the UK's largest youth organisation. Each week over 400,000 young people and 100,000 volunteer adult members take part in Scouting projects and activities which are at the heart of the UK's communities.

1st Keyingham Scout section has been running continuously in the village since 1968 and has seen 100's of young people pass through the sections, some staying on to be young leaders or adult volunteer members.

To enable our Scout section to continue from September we require 3-4 Adult (18+) volunteers to join our Team of volunteers. Scouting is wholly voluntary and without our amazing volunteers scouting wouldn't be possible. Our adults have just as much fun as the children and there are open ended opportunities to take on as much or as little as you would like. Ever fancied being an Air Rifle Instructor? Attending an International Jamboree? Possibilities are endless.

NO experience of scouting is necessary at all. We all have some skills we can teach our young people - it may be crafts, knife skills, knots, cooking, games, sewing badges on, diy, making a cup of tea, tying shoelaces, acting, singing, hiking, camping to name but a few. Full support, free uniform and training will be given, you will be fully supported throughout your scouting journey. Our Scouts meet on Thursdays 7.30-9pm in the village hall. A commitment of around 2 hours per week is all we ask please. You will take an active part in the planning of the programme for the term and help to deliver this to the young people.

Are you ready to take our 4 week challenge :

Week 1 - Come and see what we do and chat with our amazing Volunteer Team
 Week 2 - Help out - maybe help another adult to run a game at the beginning or end of the session
 Week 3 - Get a little more involved - maybe plan a game or small activity and ask other adult team members to help you
 Week 4 - Decide if volunteering is for you

Minimum age for an adult Volunteer team member is 18, with no maximum age. Maybe your child attended scouting and they're now grown up and you'd like to give back to the community? You're a grandparent with lots of life skills and enjoy working with children? You're a parent that would like to do something different for an hour or two a week? You're a parent of a scout or cub and want your child to be independent and grown their wings - that's brilliant - please help us in another section from the one your child is in.

Volunteering is good for our mental health. It is rewarding, allows you to make new friends, provides adventure and new skills and fills you with a sense of pride and achievement.

What are you waiting for ???

1st Keyingham Scouts ——— Your community needs you ———

Contact Joe Burrow - Group Lead Volunteer on : 07791750941 or

Email: joelilley@yahoo.com for further details.

Thank you

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.

All pictures are copyrighted©.

Copy for the June - July issue should be sent before May 14th to Mel Smith, 48 Ebor Manor or email Mel.Smith@Moorland.Karoo.co.uk (please put FORWARD as the subject). While every effort is made to ensure accuracy/timings in this newsletter no responsibility can be made for any mistakes, omissions or misinformation.
