## **Keyingham Village Hall kept open by DIFEY Grant**

A grant from the East Riding of Yorkshire "Do It For East Yorkshire Community Grant Fund" allowed the Village Hall Committee to replace the Boiler and ensured that the Village Hall could remain open after the Old Boiler was condemned. Thanks must also go to Adam Lansdell and the staff of A S Total Gas Services who undertook the work.

\*\*\*

Further opportunities arose from the grant funding. The Village Hall committee will be showing 3 films in February and March further details are on front page

There will also be a Warm Welcome Cuppa sessions each Friday afternoon between 14:00 and 16:00 starting on the 27th January.

These events are free to villagers during February and March and it is hoped that interest will be such that we can continue the events. Your support is needed. While the boiler was being fitted

volunteers painted the storeroom walls and floor. The committee would like to thank these volunteers for their hard work.

\*\*\*

A license has been applied for from the ERYC to run a lottery in the village. If the license is granted the project will be called the 200 club. The aim is for 200 people to pay £2 a month for a place in a monthly draw. This will give them the opportunity to win one of three monetary prizes every month, with the proceeds going to support the village hall. More details will be supplied when the license is granted. It is hoped that the start date will be the end of March.

\*\*\*

The coffee morning Wednesdays 10:00 to 11:30 has started again and will take place during school term time. Giving the opportunity for a good chat over tea or coffee and cakes

\*\*\*

A stipulation for the grant was that the parish council has to provide feedback on the success of the events and suggestion for further use of the venue.

To this end you will be asked to complete a questionnaire when attending an event.

\*\*\*

The village hall committee are working hard to make the events a success, however the events will

only succeed if villagers support these events and volunteer to help.

# Parish Council 'Round-up'

## December 2022 - January 2023

### **Road Safety in Keyingham**

The site meeting to discuss the positioning of Road Safety signs which was originally planned for November has been rescheduled for the last week in January. ERYC Traffic Management Team also provided an update on the work to finalise the technical specifications for the design of the Road Crossing, notifying the Parish Council of a further traffic survey which was already underway.

\*\*\*

### **Antisocial Behaviour on the Village Green**

The first grant application for funding to follow up on the recommendations made by the ERYC Antisocial Behaviour Officer, submitted before Christmas was unsuccessful, however a further grant application has now been submitted and initial indications are positive – so fingers crossed for a successful outcome this time!

\*\*\*

### **Village Hall Grant Success**

In December the Parish Council and Village Hall Committee members were pleased to take receipt of the first instalment of grant funding to assist in making essential repairs to the heating system. The Village Hall will be hosting a series of new events including free films shows, see front cover for details

\*\*\*

### **Parish Precept 2023/24**

In December the Parish Council set the precept for the coming year at £46,144.00 reflecting an increase of 3% on the previous year. Agreeing the increase Council members considered very carefully the balance between ensuring sufficient funds to continue to provide essential services at 'Parish Level' and the impact of the cost-of-living increases on residents, deciding to keep the increase as low as possible while covering costs.

\*\*\*

## Defibrillators

After some routine maintenance and replacements both Defibrillators are now in full working order and registered with Yorkshire Ambulance Service.

\*\*\*

## Cemetery

Having trialled a range of different measures to try to address Rabbit damage to planting and floral tributes in the Cemetery the Council is now investigating the cost of installing rabbit-proof fencing around the perimeter of the cemetery. Estimates are being sought for a discrete barrier fence at low level behind or within the boundary hedges. Any local contractors who may be interested to submit an estimate for this work should contact the Parish Clerk.

\*\*\*

## Allotments

The new 'gardening year' will begin in March. Current allotment holders will soon receive an invitation to pay for the year ahead with opportunities to pay in person or by post.

A small number of plots are currently vacant and available for rent – if you are interested in taking a plot, or a portion of one, please contact the Clerk or speak

to one of the Councillors on site.

\*\*\*

## Boyes Lane Recreation Ground Charity

Plans for the establishment of a 'Community Orchard' are now underway and planting will proceed in early spring, weather permitting. The next meeting of the Trustees of Boyes Lane Recreation Ground Charity is on 7<sup>th</sup> February 2023, 7.00pm in The Village Hall.

\*\*\*

## Parish Council Meetings

The next scheduled meeting of the PC is 7.00pm on Tuesday 21<sup>st</sup> February 2023 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

\*\*\*

The confirmed minutes of Parish Council meetings are posted on the PC website: [keyinghamparishcouncil.co.uk/](http://keyinghamparishcouncil.co.uk/)

## **Five decades of service to the community**

Due to ill health two prominent members of the Parish Council have had to retire during 2022.

\*\*\*

Ray Thompson who owned Ray Thompson Road Transport LTD in the village, was a parish councilor and a district councilor during his career. He supported the Parish and was great help to me when I took on the role of editor of the magazine. If it had not been for his failing health I believe that Ray would have completed his 50 years on council. I wish him and his wife Edwina All the best for his retirement from the council.

\*\*\*

Another long serving member of the council who also retired due to ill health in 2022 was Jed Lee. Jed

worked tirelessly with other members of the council to manage the Boyes Lane Recreation Ground and Charity. The support that he gave to other members of the council will be missed.

\*\*\*

People like these give a lot to the village without seeking reward. Improvements to the village and the village community can only be made with the help of the villagers. The need for new volunteers is always required. So if you feel you would like to help in any way to keep the spirit of the village alive, volunteer either by letting a council member know or using the contact form on the Keyingham website.

## **Community Alert from Neighbourhood Watch**

### **Think WIDEN to prevent burglary**

We have joined forces with our longstanding primary smart security partner, ERA Home Security, to bring you our Think WIDE(N) burglary prevention campaign highlighting the simple, evidence-based WIDE measures which can be taken in any home on a variety of budgets.

At Neighbourhood Watch, we also believe neighbours keeping an eye out for each other is key to reducing burglary, so we've extended the WIDE acronym to WIDE (N):

**W: WINDOWS:** Keep your windows locked

**I: INTERIOR:** Put inside lights on a timer/smart bulb

**D: DOORS:** Double or deadlock your doors

**E: EXTERIOR:** Put outside lights on a sensor

**(N): NEIGHBOURS:** Keep an eye out for your neighbours

Leaving home? Use this free [home security checklist](#) to leave your home safe and secure.

Tickets for the party are priced at £10.00 and are available from the Wednesday morning village hall community coffee morning (10-11.30)

Come and join us and let go of those winter blues'

\*\*\*

## **Keyingham Christmas Tree lights fund.**

Hi my name is Dorne Barratt and I have taken over as treasurer for the Keyingham Christmas lights fund....

I have set up a Facebook page of the same name and also an email address for the fund which is....

[keyinghamchristmaslights@gmail.com...](mailto:keyinghamchristmaslights@gmail.com)

On behalf of the Keyingham Christmas lights fund, I would like to say a big thankyou to everyone who contributed too making this happen with their time and effort, in getting the trees, decorating, putting them up and for lighting up the village, it was very much appreciated by the people of Keyingham and the many people who passed through....

Happy New Year to you all Dorne

## **Having fun at the Wednesday Coffee Morning in the Village**

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.
