## **PARISH COUNCIL.**

### Summary of Parish Council Minutes January/February 2014.

#### Public participation.

Following a request for an update on the Travellers at Mill Lane the Clerk read out a letter from ERYC that no further action could be taken until the travellers returned to the site. A villager has written to ERYC voicing his concern about the inconsiderate parking of vehicles along School Lane, the blocking of driveways and parking close to junctions. After a previous report of this nature villagers were advised, by the local Police Sergeant, to take registration numbers, report them to the Clerk who would write a letter which would be endorsed by the Police and action taken. Civil enforcement officers are aware of the situation and will monitor the location as duties permit. A member of the public, requesting news about a replacement postbox was told there was no further information at present. Representatives of the Vikings asked if consideration had been given by the Council to their request for a lease on part of Saltaugh Road playing field. They were invited to stay at the meeting during the discussion on this topic which was an item on the agenda.

#### Playing Fields.

The bench referred to in previous minutes is to be purchased at a cost of £450.00, with the finance for a second one, bought out of the Playing Field budget, to be sanctioned at the next meeting. There is no further news from the Rugby Club concerning the lease of the playing field. Following the playing fields safety inspection there are one or two minor jobs which need to be done. These will be carried out as soon as weather permits. A notice displaying details of an emergency contact is to be placed on Eastfield Road playing field.

#### Allotments.

All rents have been collected and banked. Attention will be given to the paths as soon as the weather allows.. All allotments have been tidied. There are several allotments vacant at present.

#### Cemetery.

Cats are still causing a problem. A resident reported the theft of wired silk flowers from his late wife's grave. A search of the cemetery was made but none found. There is no further information about the War Graves. Funding can be obtained from the Commonwealth War Graves Commission.

War Memorial.

The carol singing round the Memorial was very enjoyable. Thanks were given to all those who attended or helped in any way.

Churchyard.

A letter requesting removal of the lime tree in the Churchyard has been received from St Nicholas PCC. ERYC will be contacted for advice.

Streets and Verges.

No action has been taken over the hole on the grass in Northfield. ERYC has been contacted again. Verges in Westerdale Close are being churned up by having vehicles parked on them. Residents are to be contacted by the Clerk. The Clerk is to write to ERYC asking if small notices can be put on the verge along Hull Road asking drivers not to park on the grass verge where the bulbs are planted. The Environmental Officer is to be contacted over the amount of goods for sale at a property on Ottringham Road.

Boyes Lane.

Enquiries have been made as to the provision of fruit trees. A strong hedge cutter is required to cut back the hedges in Boyes Lane field. They are inaccessible due to there being too many trees. Fruit trees have now been planted but need protection round them. Some donations have been received from villagers for work on the field.

Village Plan.

Road Watch in the village is now active.

40 extra copies of FORWARD will be required to cover the new developments. It was agreed these should be purchased.

Flag Flying Protocol.

Discussion took place as to the protocol that should be adopted for the flying of the Union Jack all year. A recorded vote was taken and the proposal was defeated by 6 votes to 3.

Councillors' Forum.

A question was asked as to the location of Youth Club funds. This matter is to be followed up.

## **VILLAGE PLAN.**

### **SPEED WATCH.**

Three sessions have already been held and the observations recorded proved what we have always claimed - that whilst most drivers adhere to the speed limit there are a few who ignore the limit through our village. Further sessions will be held over the coming months and anyone who wishes to partake in these sessions can. For further information or to express your interest please contact

philip.wriglesworth@humberside.ppn.police.uk

### **BOYES LANE FIELD.**

The group responsible for the development at the field are grateful for the many donations they have received from villagers. Using these donations together with precept money, apple trees, plum trees, gooseberry and black currant bushes have been planted. Watch for news about the marketing strategy for the proceeds!!!

### **ENVIRONMENTAL.**

As well as ensuring a good supply of plants is available for the summer planters, members of the group have had to replace three planters which went missing last year as well as providing new planters for the Hedge-rows development on Ings Lane.

## **VILLAGE NEWS.**

### **KBSH&CC.**

Although it would appear that very little is happening with the development of the Keyingham Board School, we have reached the stage where, as this is being written, we are awaiting the results of our first round bid from the Heritage Lottery Fund, if successful we will then pass on to the second and final round. We are hopeful of a favourable consideration and outcome on our application for funding and therefore our plans for the STRAWBERRY and CREAM TEA, CRAFT and ACTIVITIES AFTER-NOON in Keyingham Community Cafe, the garden and the Methodist Hall are well in hand. Tickets will be on sale in advance from mid April, prices as advertised on the front cover. These prices include a strawberry and cream tea *and* access to all areas. As you see children under 14 are admitted free if accompanied by an adult. There will be a children's menu from which choices can be made on the day. It will include strawberries, cream and lots of other 'goodies' together with who knows what other delicacies! Do come along, there will be something of interest for all ages and an opportunity for you to try your hand at some of the activities.

## 1ST KEYINGHAM SCOUTS.

Scouts meet every Friday evening term time between 6.45p.m. - 8.30p.m. in the Methodist Hall Rooms. We have a mixture of boys and girls aged from 10½ - 14 years. Over the years our numbers have grown significantly from 6 boys in 2000 to 18 at present. As well as learning lots of scouting skills we do other things like hikes, cycle rides and our favourite - camping.

In December we took 20 scouts to London for the day and had a fantastic time, taking in nearly all of the major sights and finding time to fit a visit in to HMS Belfast and a trip to the 3D IMAX cinema in the Science Museum. To help fund the trip we did some fund-raising and also received a very kind donation from Keyingham Parish Council for which we are extremely thankful.

Every 4 years in scouting a Jamboree takes place with the next one being in Japan in 2015. The places are very limited for each country and our District was allocated one place. Samuel Burrow, Explorer Scout, was lucky enough to secure the place. Our congratulations go to him and we will be helping to support his visit with lots of fundraising.

Phillipa and I have now taken over the roles of Scout Leader and Assistant Scout Leader. This leaves our previous roles as helpers vacant. **COULD YOU HELP?** Do you have a skill or hobby that you could share with the Scouts? Do you enjoy working alongside children? Would you like to get out of the house every now and then?

We are looking for people to help every now and then or on a rota basis if preferred. You do not need to have any previous experience of scouting. Our numbers are increasing rapidly with young people coming along most weeks. This is fantastic for our village as Scouts have been active in Keyingham since the 1970's and we would hate to have a waiting list, so the more helpers we have the more children can attend.

If you fancy it, or your children would like to try Scouting please contact either myself or Phillipa for details or just turn up on a Friday night and see what it is all about.

Mrs Joanne Burrow, Scout Leader. Tel: 07791750941

Mrs Phillipa Boynton, Assistant Scout Leader. Tel: 07853275172

**We are desperately in need of somewhere to store our Camping equipment.**

**Has any local business or individual space available**

**for a few tents, stoves, cooking equipment etc?**

**It wouldn't take up much space**

**and would only need to be accessed a few times a year.**

## KEYINGHAM and OTTRINGHAM VILLAGE SHOW.

At the AGM of the Village Show a very positive attitude prevailed despite the fact that we realised that the cost of putting on our 2013 show had left us needing to fund-raise to ensure the continuation of this 39 year old annual event. The new members who joined us brought with them new ideas and enthusiasm which was exactly what we needed. We have always managed to raise enough money to finance the show, but with expenses having increased to almost £1,000 and income at around £500 we needed to take desperate action. Thanks to the support of the Sir James Reckitt Foundation and the generosity of several local businesses we are able to face the future knowing that we can produce the show to our usual standard. Now we must turn our pleas to the villagers to give their support by attending our fund-raising events, (we do like to prove that we are willing to make the effort to raise funds) entering the show and then visiting the INSTITUTE on the day. Have you put it in your diary? SATURDAY JULY 26th 2014. Entries to be staged by 10.30a.m. ready for judging. Doors open to the public at 2.00p.m. for you to come and enjoy the afternoon with us. Schedules will be in the village shops in mid-June so please get knitting and sewing; planting and growing; making and baking - show us your skills to help to make this year's show the best ever!! It's not too late to join us in organising the show. Ring 622221 if you would like further details.

At the AGM the following Officers were appointed:

- Chairman - Mr S Hyde  
Vice-Chairman - Mrs A Hudson  
Secretaries -Mrs H Everington, Mrs A Hudson,  
Mr & Mrs M Briggs  
Minute Secretary- Mrs A Hyde  
Treasurer - Mr B Cundill  
Show Managers - Mr & Mrs L Haxby

Here is some useful information should you become a victim of fraud.

What is Fraud? Fraud happens when somebody lies, or deceives you in order to cause harm, usually by costing you money. Even if you have not lost money, you may still have experienced fraud.

Report fraud and Internet crime to ACTION FRAUD. Examples of internet crime: criminals attack your computer with a virus or spyware and try and steal personal information such as user names and passwords. Online auction scams where the Seller asks you to pay by money transfer or direct to their bank account. Phishing e-mails with links to fake websites to trick people into entering personal details or account information.

ACTION FRAUD is the U.K.'s national reporting centre for fraud and Internet crime. Members of the public, the police, businesses and charities can report to ACTION FRAUD online or on the phone. If you are reporting via the website there is online chat support provided. As ACTION FRAUD takes crime reports on behalf of the police, reporting directly is likely to be quicker and more convenient for you than visiting your local police station. You will receive a crime reference number when you report it to ACTION FRAUD and it will be transferred securely to the National Fraud Intelligence bureau for analysis and assessment. By reporting incidents of fraud or internet crime to ACTION FRAUD you are enabling the police and fraud authorities to build a profile of those committing fraud and catch those involved.

To contact ACTION FRAUD visit [www.actionfraud.police.uk](http://www.actionfraud.police.uk) 24 hours a day, 7 days a week or you can contact them on 0300 123 2040. Phone lines are open Monday to Friday 8.00a.m. to 9.00p.m. and Saturday Sunday 9.00a.m. to 5.00 p.m. Closed Bank Holidays.

Follow: @Action Frauduk on twitter or "like" them on facebook (Like/action fraud and keep up-to-date with the latest scams).

Anyone can become a victim of fraud. The best thing you can do is speak out about it by reporting it to ACTION FRAUD and help protect other people from becoming victims themselves.

## KEYINGHAM INDOOR SPORTS GROUP.

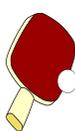

We're EXPANDING!!

FIRST: Indoor bowling.  
SECOND : New Age Curling  
**NOW** : Table Tennis.

Indoor Bowling continues to flourish. Each session, Tuesday afternoon 3.00p.m. to 4.30p.m. brings lots of laughs, friendly rivalry and plenty of banter! Come and join us if you fancy a go, £1.50 includes a drink and biscuits. Were you inspired by the Winter Olympics? The Thursday Curling group will give you an opportunity to try your skill at Curling, with the difference that you have no ice, but you do have 'stones' and need plenty of pushing power!! Same time as the Tuesday group, costs the same and is just as much fun.

Now we have the opportunity to bring **TABLE TENNIS** to our village. We need to gauge the level of interest to ascertain the viability of buying a full size table and further equipment. At the moment we use a makeshift table but we do have the bats, balls and net. The sessions would be on a **TUESDAY** from 2-00p.m. to 3.00p.m. in the room at the back of the Main Hall, entrance via the side door on the left at the top of the drive. A charge of £1.00 would cover the cost of room hire and a drink and biscuit. Please come and try your skill!! None of these activities require you to be an expert! Nearly everyone has played marbles or 'ping-pong' when they were younger - so come and try your skill.

There may be younger people who are at work during the day, who would be interested in forming an evening Table Tennis Group. If you are interested in any of the above please ring Joyce tel: 01964 603253 who will be able to give you further details.

**DON'T BE A COUCH POTATO.** Come and enjoy one of these sporting activities - remember - you don't have to be particularly skilful but you do need the ability to enjoy yourself with friends.

Any copy to be included in the June/July issue should be sent to Len, Sunthorp House, School Lane, or e-mail [len@roslen.karoo.co.uk](mailto:len@roslen.karoo.co.uk) (please put FORWARD as the subject) before April 25th 2014.
